ABOUT US

Proges, an Italian incorporated “social cooperative”, is a national leader in the fields of social services, education and healthcare.

Proges, Founded in Parma 25 years ago, operates in strict collaboration with Public Entities by means of public concession, project financing and public-private companies.

Subsidiaries such as “Parmainfanzia” and “Parma 0-6” represent the state-of-the-art in their respective fields thanks to their unique R&D projects, financial investments and overall management.

These ambitious projects required a careful planning and a solid financial structure, as investments in excess of EUR 50 mil were needed and contracts for an overall duration of more than 50 years were signed.

Proges Cooperatives employs more than 3,460 people, reaching providing its services to more than 9,000 Italian families.

Proges is active in 10 of the 20 Italian regions, with a special focus on the provinces of Turin, Milan, Trento, Bari, Piacenza and Parma. **Recently, Proges started providing its services outside Italy’s national borders, too: Bruxelles, China and Moscow.**

Partners

Leone Rosso s.c.s, is an Italian "social cooperative", leader in the north western regions of Italy in the area of social services.

Founded in 2010, Leone Rosso is characterized by the management of a complex set of interventions, that affect the fields of **services for people with disabilities, education, elderly care home services.**

These activities require a strong organization and a solid financial structure. Leone Rosso employs 220 people in the regions of Valle D'Aosta, Piemonte, Emilia Romagna and generates around 9 mln euros turnover annually.

For the pursuit of its solidary purposes Leone Rosso exercises the management in a collective form, through the work of its members, operating in collaboration with public entities by means of public concession, and particularly in the sectors listed below:

- home care activities and services for people with disabilities, and qualified assistance in residential and semi-residential facilities;
- management of cultural and "independent living" projects for people with low disability;
- management of kindergartens, nursery schools and primary and secondary school assistance services;
- design and management, for both public and private entities, of social, health and educational services;
- co-planning and management in collaboration with public social assistance services in the sectors of socio-psycho-health, educational and elderly care services;
- social promotion activities for disadvantaged people;
- design and management of services in the area of immigration.
- promotion of the professional training of its members and consultancy activities.

MAIN PROJECT

Residenza Adriano Milano

In Milan, Proges is developing a modern Center for Elderly Care and Assistance.

Residenza Adriano covers 100 places for Elderly Care (including a dementia unit) and 40 places for disabled people.

It also includes a day-care service and a 1.000-square meter Medical Center

Moreover Residenza Adriano has 36 assisted apartments for elderly or disabled people, a theater plus exhibition center and an open-access café.

Building works are underway and will, likely be, completed in 2019.

ParmalInfanzia spa

ParmalInfanzia SpA is a public-private company established, in Parma, in 2003 by the Municipality of Parma (which holds the 51% of shares) and Proges (which holds the remaining 49%).

ParmalInfanzia has been a unique pattern for public-private partnership (PPP), and it was created for the management and development of Educational Services for children from 0 to 6 years old.

ParmalInfanzia runs 8 Kindergartens and 7 Nursery schools.

In total, more than 1000 children daily attend ParmalInfanzia's centers.

Hospice La Casa di Iris

Iris House is a residential center for palliative care and assistance to terminal illnesses.

Staff members receive specific training for this kind of service and they carry out this task with love and dedication.

Iris House is an open-access center where many volunteers and relatives cooperate to improve the service and make it better, day by day.

INTERNATIONAL PROJECT: Hong Kong - Bruxelles - Moscow

Le Minimonde sprl

Le Minimonde is a subsidiary company of Proges based in Brussels. It specializes in Childcare management and currently runs 2 Kindergatens: La Flûte Enchantée (36 places) and Crèche Gaulois (60 places).

The third Kindergarten (Crèche de la Loi, 70 places) is currently under renovation and will open in 2018. Minimonde has an agreement with the European Commission to host the children of the Commission officials. [The children's families come from all the 28](#) European Union countries.

Proges International Limited HK

Proges International Limited is a Hong Kong-based joint venture, comprising Proges and Maylink.

The Joint Venture has been founded to invest and offer advice, management and training to Chinese private and public companies, governments and other organizations, in the field of Elderly Care and Child Care Services.

Ningbo Elderly Care Company Ltd. is the first joint venture made up of Proges International in China the purpose of this JV is design and manage Elderly Care Center in Ningbo City.

LA VILLA Italian Care Company Moscow

La Villa Italian Care Company Limited was founded in Moscow in 2018.

La Villa is a project 100% made Italy to build and manage top quality retirement centers for the elderly.

Our goal is to strengthen our expertise in Russia, through our know-how and our passion.

EDUCATIONAL *line*

Proges Socio-Educational Line comprises 3 main sectors or so-called "Areas": "Age 0-6 Area", "Minors Area" and "Disabilities and Mental Health Area".

The "0/6 Area" is dedicated to children aged 0 to 6 and is divided into 5 sectors:

- Nursery-schools and micro-nurseries,
- Children's Spaces,
- Children-Parents Centers,
- Pre-Schools
- Time-saver Projects"

Our Pre-Schools are intended for children between 3 and 6. Finally, our "Time-saver Project" provides families with recreational and educational facilities specifically tailored on each parent and/or guardian working schedule. The above services are directly managed by Proges or contracted to dedicated vehicle companies.

Starting from september 2018 Proges Educa manages primary school and secondary school "Liceo Olivetti" in Parma. This completes the entire cycle of education.

HEALTHCARE *line*

Proges' Socio-Health Products Line covers Elderly Care and Healthcare Services.

Three main areas are covered by the Elderly Care Services:

- Nursing Homes,
- Adult Day Care Centers, and
- Home-care Services.

Nursing Homes provide a residential care service where elderly are given, 24-hours a day, on a all-year-round basis, medical assistance plus social and recreational services.

Adult Day Care Centers are, in their most common form, non-residential facilities where guests can fulfill their daily living needs while engaging in monitored social and rehabilitation activities.

Home-care Services consist of supportive care provided directly in each patient's home. Care is given by chartered healthcare professionals who provide medical care services while also ensuring that daily, personal activities are fulfilled.

Our staff is composed of 1500 people, including nurses, physiotherapists, doctors and specialized assistant, who work in over 40 centers for the elderly. Milan, Turin, Parma, Tuscany are covered.
